Rank your class choices, with
1 being your first choice and
12 being your last choice.

Class Descriptions

Classes	Description
High Ropes	Climb to the top and then zipline to a platform. Must wear closed-toe and closed-heel shoes to climb.
Recreation/Low Ropes	Learn some new dance moves, and play some awesome games and learn some leadership and teambuilding skills. Good running shoes are best.
Archery	Learn how to safely operate a bow and arrow and will practice shooting at targets. Must wear closed-toe and closed-heel shoes to participate. No crocs.
Rifles	Learn how to safely operate a rifle and will practice shooting at targets. Must wear closed-toe and closed-heel shoes to participate. No crocs.
Nature/Outdoor Living	Explore a cave and learn some outdoor survival skills. Prepare to get wet, please wear shoes that are okay for getting wet.
Canoe	Enjoy operating a canoe on Lake Cumberland. Wear your swimsuit under your clothes or be prepared to get wet. Bring a towel.
Kayaking	Enjoy kayaking on Lake Cumberland. Wear your swimsuit under your clothes or be prepared to get wet. Bring a towel.
Swimming 1 (Beginner)	Learn basic swimming skills while enjoying the water slide
Swimming 2 (Advanced)	Learn advanced swimming strokes/diving/aquatic survival. Water games (Must have swim bracelet)
Sports	Play organized games such as basketball, volleyball, whiffle ball, gaga ball
Mess-tivities	Mess-tivities!...You're going to need some old clothes for this class! Shaving cream, gunk and of course special camp slime are always present here! A twist on classic twister, yuck yuck goose and more! Showers provided (water balloons)!
Art Shop	Explore your creative side with art! Create different masterpieces that can be entered into your county fair.
Fun with Science	Step back in time and create some science projects that will be a blast from the past – Make your own Lava Lamp, slime and grow your own crystals!
